

QST QST QST Calling all Radio Amateurs, Calling all Radio Amateurs. Good evening and welcome to the Penn-Mar 2-Meter Net. I am (CALL) your net control operator, my name is (NAME). This is a directed net, do not interrupt this net unless you have emergency or priority traffic.

This net meets every Tuesday evening at 8:00 p.m. local time on 147.330 MHz PL. 123.0. The Hanover Repeater is located on the WYCR FM tower in the Pigeon Hills, approximately four miles north-northeast of Hanover, PA. The repeater is owned and maintained by the Penn-Mar Radio Club.

The club meets every Thursday night at the Midway Fire Co. 202 Linden Ave in Hanover, PA. The second meeting of the month is the business meeting. All meetings are held at 7:30 p.m. local time. All are welcome to participate.

All licensed amateur radio operators are welcome to check-in.

Are there any NTS representatives on frequency this evening?

Is there any NTS traffic?

(Coordination os NTS traffic if necessary)

(Call stations with information and announcements)
