

Penn-Mar Monthly Signal

Penn-Mar Radio Club
W3MUM

The Penn-Mar Club meetings are held at the Hanover UPMC Hospital at 7:30pm in Conf. Room A on the 3rd floor. Regular meetings are on the 2nd Thursday each month and Tech sessions are on the 3rd Thursday each month, both at 7:30pm.

The Club meets for a casual 'Break-Feast' on the 4th Saturday each month at 8:30am at the Eisenhower Diner (375 Eisenhower Dr., Hanover, PA 17331).

The Club's weekly net is on Tuesdays at 8:00pm on 147.330 MHz +, PL 123.0 Hz.
The South Central 10M SSB Net is held on Friday nights at 8:00pm at 28.495MHz.

April 2025

The York Hamfest 2025 was a great success.

There was a terrific turnout for the April 26th event, despite the chilly temperatures and the on and off rain. Everyone seemed to have a good time and really liked the new venue. Some vendors and attendees are already making plans for next year!! Check out more photos on the Club website and Facebook page.

The TNC node has been tested and it now ready to be installed at the repeater site. The node will aid area hams in doing digital communication, especially WinLink. Don't forget, Dennis N (KC3VZV) is also facilitating a weekly WinLink message handling practice. No pressure, just lots of support and encouragement to get on and learn about this RF communication mode.

The Club is continuing to engage with the Borough of Hanover to incorporate amateur ham in the upcoming remodeling of the old Municipal Building at 44 Frederick St. Once renovations are complete the 'Public Safety Facility' will house a new Emergency Operations Center. Emergency communications and amateur radio for the support of the community, one of the things hams love to do. Stay 'tuned' for more info and updates.

The Club is continuing to prepare of this year's **Field Day** at Codorus State Park, Pavilion 2.

Check out the 'Sign-Up' sheet on the website. If you would like to volunteer to set up antennas and radios, work contacts on the air, help with food, or any other Field Day activity, please email the Club with your name, call sign, and when you plan to be there. We would love to see all the member out for Field Day this year. The location should give us a great chance to be seen by the public and introduce folks to the fun of ham radio.

Congratulations Kennett Z (**KC3UUA**) for passing his Amateur Extra exam.
Congratulations Zach H (**KD3BDX**) for passing his Techniciann exam.

WELL DONE 🥳

May Tech session – Yaesu 8900 Practice session (that's in the Radio Room)
(we will have at least 4 radios to set up and practice on)

Reminder: The Club Meetings & Tech sessions are on Zoom.
Watch for the Club email links sent out beforehand.

Wishing a Happy Birthday to all members with a birthdays this month.

Hope to see you in May for:

- 8th Regular meeting
- 15th Tech session
- 24th Penn-Mar Break-feast (breakfast)

Our Next Meeting
