

Penn-Mar Monthly Signal

The Penn-Mar Club meetings are held at the Hanover UPMC Hospital at 7:30pm in Conf. Room A on the 3rd floor. Regular meetings are on the 2nd Thursday each month and Tech sessions are on the 3rd Thursday each month, both at 7:30pm.

The Club meets for a casual 'Break-Feast' on the 4th Saturday each month at 8:30am at the Eisenhower Diner (375 Eisenhower Dr., Hanover, PA 17331).

The Club's weekly net is on Tuesdays at 8:00pm on 147.330 MHz +, PL 123.0 Hz.

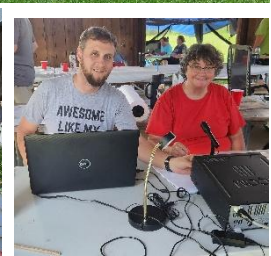

The South Central 10M SSB Net is held on Friday nights at 8:00pm at 28.495MHz.

June 2025

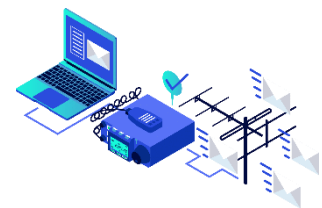

Field Day 2025 is in the books. The Club set up and worked the radios from Codorus State Park, Pavilion #2, during the last full weekend in June. The weather was a bit of a challenge, as a thunderstorm rolled through and damaged a radio and balun, and destroyed a tent. Despite the heat, humid, and storm, there was a good turnout. The Club and members provided terrific food, kids had activities, and radio contacts

on 2 radios were made. We had non-hams try the hobby, visitors check out the event, and even a 13-year-old amateur extra from Albany, NY made some contacts. Over all, a great success. Now, to start planning for next year.

The Club is continuing to work on weekly WinLink message handling practice. Thanks to Dennis N - KC3VZV, a WinLink email is sent out each week to participating members. The practice usually asks members to reply to an initial email, create an email response with some information (weather, location, etc.), or fill out a WinLink template. Everyone is welcome to join in, simply email Dennis through WinLink or send him an email if you need assistance setting up an WinLink account.
